

Ways to Give to the Divinity School: **Personal Property or Real Estate**

Duke University gladly accepts gifts of tangible personal property that the University would otherwise need to purchase, or that further the endeavors of Duke's educational and/or medical communities.

While the University is grateful for every donor's intent to give, some personal property donations must be approved by Duke's Gift Policy Committee. Gifts that **do not** require prior approval include televisions, VCR's, stereos, computers, software, medical equipment, postage, items for auction, and tickets to athletic events.

If you are interested in donating any item to Duke, please contact the Office of Alumni & Development Records at (919) 694-2338. We will give you instructions on how to make your gift and/or if the gift will need prior approval.

To donate a gift of real estate, please contact Duke's Real Estate Administration Office at (919) 684-6420.
